

Certificate

On the occasion of the
2009 Americas Competitiveness Forum
 September 27-29, 2009 in Santiago, Chile

we are happy to award this climate neutral certificate to

**THE AMERICAS
 COMPETITIVENESS
 FORUM** Promoting Prosperity
 and Economic Opportunity

GOBIERNO DE CHILE
 MINISTERIO DE ECONOMIA

This certificate guarantees that all (GHG) emissions generated in the course of the event (through travel activities of participants, through catering, accommodation and print material as well as through the energy consumption at the venue)

in total 1.155 tonnes GHG

are offset by an investment in a high quality emission reduction project, namely **Small Hydro Power Project in Midwest (Brazil)**.
